Subject Index to Volume 65—July to December 1947

Absenteeism. Effects of long hours on; other reasons for. *July, 7–8, 10.*

Accident statistics:

BLS program for reporting, fiscal year 1947–48. *October, 413.*

Disabling injuries (estimated) in United States, 1940–46, by severity. *October, 442.*

Manufacturing. Industries experiencing more than 20,000 industrial injuries in 1946, by industry group. *October, 443.*

—— Injury-frequency rates, by industry, first quarter 1947; preliminary annual rates for 1946. *July, 67–70.*

—— Injury-frequency rates, by industry, second quarter 1947, with cumulative rates for 1947 and final annual rates, 1946. *November, 559–561.*

Manufacturing and nonmanufacturing. Number of injuries, by severity and industry group, and frequency rates in specified industries, year 1946. *October, 442–446.*

Plastics products industry. Disabling injuries, 1946, compared with rate for all manufacturing; nature of hazards. *September, 296–297.*

Pulpwood logging, Northeastern, Great Lakes and Southern areas. Frequency rates, 1944, compared with rates for general logging and manufacturing. *August, 175–176.*

Agriculture:

Child labor. State legislation, 1947, changing provisions concerning, in Connecticut, New York, and Hawaii. *September, 278.*

Employment statistics. Trends, 1910–47. *December, 649–653.*

Farm labor, trends in, wartime and postwar. *August, 139–147.*

Perquisites. Kind and value of, by region, furnished to hired farm workers, 1945. *August, 193.*

Production; indexes of, and production per worker, 1910–46; reasons for wartime increases. *December, 651–653.*

American Federation of Labor. Convention. (*See under* Conventions, meetings, etc.)

Apprenticeship, United States:

Power laundries, cleaning and dyeing. Provisions for training apprentices, in collective agreements, 1946. *August, 163.*

State legislation establishing councils, 1947, summary. *September, 277.*

—— (*See under* Legislation, U. S., by State, for specified State.)

Apprenticeship, Soviet Union. Industrial training for youth; decrees providing for, summary. *November, 569–571.*

Arbitration (*See* Conciliation and arbitration.)

Benefits. Railroad workers. Sickness and maternity, as of July 1947. *August, 194–195.*

Bonus, nonproduction:

Extent of use, 1945–46. *October, 451–452.*

Foundry industry, ferrous and nonferrous. Extent of use, 1946. *August, 183.*

Glassware industry. Extent of use, as of January 1947. *November, 551.*

Machinery industries. Extent of use, as of October 1946. *September, 320.*

Metal furniture industry. Extent of use, as of January 1947. *October, 449.*

Percentage distribution of establishments paying, to plant and office workers, selected manufacturing and nonmanufacturing industries, by type of bonus, 1945–46. *October, 452.*

Wholesale drugs and allied products. Extent of use, as of January 1947. *November, 554.*

Women's blouse and waist industry. Extent of use, as of January 1947. *September, 316.*

Boycotts. Unfair labor practice under Labor Management Relations Act, 1947; administrative procedures for prevention of. *July, 59–62.*

Boycotts, secondary:

State legislation prohibiting, enacted in 1947. Summary. *September, 277, 280.*

—— (*See under* Legislation, U. S., by State, for specified State.)

Budget. Nation's economic budget, selected years, 1939–47 (chart). *September 324.*

Building materials:

Controls over. Extent of removal, effective in second quarter 1947. *September, 310.*

Prices. Changes, second quarter 1947. *September 311–312.*

—— Indexes of, and percentage increase, specified periods July 1914 to June 1947. *September, 312.*

Bureau of Labor Statistics (U. S. Government). Program for fiscal year 1947–48; basic statistical services to continue, certain new programs added; summary. *October, 409–414.*

Check-off:

State legislation restricting use of, 1947. (September, *282–283.*

—— (*See under* Legislation, U. S., by State, for specified State.)

Child labor:

Legislation, Federal and State, controlling; summary of provisions. *December, 672.*

Child labor—Continued
State legislation regulating, 1947; manufacturing, nonmanufacturing, agriculture. *September, 277–278.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Working conditions, youth under 18 years of age. Types of jobs, hours, hazards, fiscal year ended June 1947; comparisons with years 1946 and 1945. *December, 673.*
Chronology. Labor events. April to June 1947; July to September 1947. *August, 211–214; November, 577–580.*
Closed shop:
Prohibition of, under Labor Management Relations Act, 1947. *July, 58, 60.*
State "Right-to-Work" laws prohibiting, enacted in 1947. Summary. *September, 279–280.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Collective agreements, United States:
Analysis of, for indexing purposes; statistical card used for, by International Association of Machinists. *July, 75–77.*
BLS program for maintaining files of, under Labor Management Relations Act; fiscal year 1947–48. *October, 412–413.*
BLS study of premium pay provisions in, latter half of 1946. *October, 419–425.*
Ford Motor Co. and United Mine Workers of America, signed immediately prior to passage of Labor Management Relations Act; provisions. *October, 440–441.*
Murray Body Corp., signed August 19, prior to passage of Labor Management Relations Act; no-strike provision (text). *October, 440–441.*
Power laundries. Discharges and quits, miscellaneous causes for, specified in agreements, 1946. *August 165.*
Power laundries, cleaning and dyeing. Provisions in 33 agreements, covering 65 percent of production workers under union contracts, 1946; analysis of. *August, 158–166.*
Provision for filing with BLS, under Labor Management Relations Act, 1947. *July, 61.*
Seaboard Airline Railroad and Federated Shop Crafts (System Federation No. 39, Railway Employee's Department, AFL); minimum force agreement, plan summarized. *August, 167–171.*
Union security under; State legislation affecting, enacted in 1947. *September, 279–280.*
United Mine Workers of America and bituminous coal operators, signed July 7, prior to passage of Labor Management Relations Act; provisions. *October, 440.*
Collective agreements, foreign countries:
France. Prewar; 1936 legislation, making compulsory inclusion of minimum rates in. *August, 154.*
Great Britain. Cost-of-living scales regulating wage rates; total workers covered by, year 1939 and
Collective agreements, foreign countries—Continued
April 1947; list of industries affected. *September, 286–287.*
—— Equal-pay provisions, wartime. *September, 289.*
Norway. Early development of, and present methods of enforcement. *September, 340–343.*
Sweden. Use of, to achieve wage stabilization during war period. *October, 431, 434.*
Collective bargaining, United States:
Definition of, under Labor Management Relations Act, 1947; procedure in selection of representatives. *July, 59–60.*
Jobs for handicapped to be provided by; advocated by AFL. *August, 205.*
Collective bargaining, foreign countries:
Germany. U. S. Government occupation policy permitting; directives of April 1945 and July 1947; works councils, establishment of. *October, 460.*
Great Britain. Trade-union demands in postwar period, success of; Government's effort to reconcile social reforms with need for exports. *September, 285.*
Committee of European Economic Cooperation. Manpower report of technical subcommittee. *November, 567–568.*
Conciliation and arbitration:
Department of Labor (U. S. Government). Conciliation Service, part of Department for 32 years, replaced by separate and independent agency, under Labor Management Relations Act. *October, 436.*
—— Operation of Conciliation Service, ended August 21, 1947; history of. *August, 172–174.*
Federal Mediation and Conciliation Service (U. S. Government). Director appointed by President. *October, 439.*
—— Policies of; statement of Director concerning. *November, 564–565.*
Provisions for, in Labor Management Relations Act, 1947. *July, 57, 60–61.*
State legislation relating to, 1947; provisions. *September, 282.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Congress of Industrial Organizations. Convention. (*See under* Conventions, meetings, etc.)
Construction, United States:
Activities and expenditures 1939–47; future prospects. *November, 539–543.*
BLS program for statistical reporting, fiscal year 1947–48. *October, 413.*
Comparative employment levels, 1941–47; estimates, by type of project. *August, 202; November, 562.*
Controls over building materials. Extent of removal, effective in second quarter 1947. *September, 310.*
Dwellings. New urban and rural nonfarm. Units started, number and cost, selected years, and monthly (April 1946–September 1947), by source of funds. (*See* Current labor statistics, table F-8, *each issue.*)

Construction, United States—Continued
Dwellings. Privately financed. Units started, leading industrial areas; number of, average cost, monthly, January 1946–August 1947. (*See* Current labor statistics, table F-7, *each issue.*)
Employment. (*See* Current labor statistics, table A-11, July, August, September.)
—— (*See also under* Employment statistics.)
Expenditures. New, by quarters, 1946 and 1947, and by year, 1939–46. *November, 540.*
—— Years 1939 and 1946; monthly (June 1946–November 1947), by type of project. (*See* Current labor statistics, table F-1, *each issue.*)
Family dwellings. New units scheduled, urban areas, years 1942 and 1946; monthly (April 1946–September 1947), by type and by source of funds (private and public). (*See* Current labor statistics, table F-4, *each issue.*)
—— Units (new permanent) started, January 1946–September 1947. *November, 540–541.*
Federally financed. Contracts awarded and force-account work started; value of, selected periods, and monthly (May 1946–October 1947), by type of project. (*See* Monthly labor statistics, table F-2, *each issue.*)
Fresno, Calif.; survey of current and anticipated private construction volume, Dec. 1946; techniques used, designed by BLS; tests and conclusions. *July, 73–75.*
List of projects included under. *August, 202.*
Nonfarm areas. Dwelling units, started and completed; total 1946 and monthly, January 1946–October 1947. (*See* Current labor statistics, table F-6, *each issue.*)
Nonresidential. Permit valuation, new units scheduled, urban areas; year 1946 and monthly (April 1946–September 1947), by general type and by source of funds (total and non-Federal). *See* Current labor statistics, table F-5, *each issue.*)
Urban building. Permit valuation of, years 1942 and 1946, and monthly (April 1946–September 1947), by class and by source of funds (Federal and non-Federal). (*See* Current labor statistics, table F-3, *each issue.*)
Construction. Great Britain. Housing program, by region, end of 1946, estimated for 1947; under construction, or approved but not started, by type, end of 1946, estimated for 1947. *August, 196–197.*
Construction machinery (selected). Characteristics; findings of BLS survey of man-hours expended to produce, for period 1939–45. *July, 41–47.*
Conventions, meetings, etc.:
American Federation of Labor. (San Francisco, October 6–17, 1947.) Proceedings and major actions. *November, 527–531.*
Congress of Industrial Organizations. (Boston, October 13–17, 1947.) Proceedings and major actions. *November, 531–534.*
Conventions, meetings, etc.—Continued
International Association of Government Labor Officials, meeting of, September 1947; discussion topics. *November, 565–566.*
Cooperation. (*See* Cooperatives.)
Cooperatives:
Consumers' associations. Operations in 1946. Membership and business, by type; summary of activities, by type; trend of operations of retail store and petroleum cooperatives, 1942–46. *October, 456–459.*
Credit unions. Operations, assets, and earnings, by State, years 1945 and 1946. *November, 555–557.*
—— State and Federal; relative development of, 1925–46. *November, 558.*
Farmers'. Activities of, 1944–45; estimated number, membership, and business of, 1913 to 1944–45. *October, 459.*
Cost of living, United States:
BLS program for reporting, fiscal year 1947–48. *October, 410–411.*
Indexes. (*See under* Prices.)
Cost of living, Great Britain.
Index. Changes since 1938 and recommendation, spring of 1947, to substitute new index. *September, 285–291.*
Interim indexes of retail prices, July 1947. *August 195–196.*
Court decisions:
Fair Labor Standards Act. Belo case; doctrine of, in computing overtime rates. *August, 207.*
—— Summaries. *July, 78–79; August, 206–208; September, 347–348; October, 464–465; November, 574–575; December, 686–687.*
Labor Management Relations Act. Summaries. *October, 465; November, 572–573; December, 685–686.*
Labor relations. Summaries. *July, 79; August, 208; September, 346–347; October, 465–466; November, 572–573; December 685–686.*
Lea Act. Constitutionality of. *August, 206.*
National Labor Relations Act. Summaries. *July, 79; August, 208; September, 346–347; October, 465–466; November, 572–573; December, 685–686.*
Norris-LaGuardia Act. Summaries. *July 80–81; September, 347; October, 465; December, 686.*
Portal-to-Portal Act. Summaries. *October, 464–465; December, 686–687.*
Railway Labor Act. *November, 573.*
Selective Service and Training Act. Veterans' rights under; Summaries. *July, 79–80; August, 208–210; September, 348–349; October, 466–467; November 575–576; December, 687–688.*
Sherman Anti-Trust Act. *October, 465–466.*
State courts. Summaries. *July, 81; August, 210; September, 349; October, 467; November, 576; December, 688–689.*
Credit unions. (*See under* Cooperatives.)
Current labor statistics. List of tables. *July, 89–90; August, 225–226; September 357–358; October, 474–475; November, 588–589; December, 696–697.*

Death cases. Benefits. (*See under* Workmen's compensation.)
Decisions. (*See* Court decisions.)
Disability. Benefits. (*See under* Workmen's compensation.)
Discrimination:
State legislation opposing or prohibiting in employment. *August, 198–199; September, 278.*
(*See under* Legislation, U. S., by State, for specified State.)
Diseases, industrial. (*See* Workmen's compensation, Occupational diseases.)
Displaced persons. (*See under* Manpower.)
Disputes. (*See* Labor-management disputes.)

Earnings. (*See* Wages and hours.)
Economic conditions, United States:
Consumer appraisals of, 1946 and 1947; intentions to buy, by income group; expectations concerning incomes and prices; attitudes toward selected purchases. *September, 329–330.*
Labor force. Changes in, prewar, wartime, and postwar; outlook for future growth. *December, 637–678.*
President's midyear economic report to Congress, July 21, 1947; summary. *September, 321–325.*
Savings by various income groups, 1946; holdings of nonliquid assets, early 1947; survey for Federal Reserve Board. *November, 558–559.*
Women workers. Wartime adjustments to production demands, postwar changes in comparison with; future outlook. *December, 666–671.*
Economic conditions. Japan. Economic crisis; 8-point program designed to cope with, July 11, 1947; wage-price features of. *September, 337–340.*
Education. "The University and Labor Education." Address by Dr. Edwin E. Witte, excerpts from. *July, 36–40.*
Efficiency. Effects of long hours on output; study of. *July, 5–14.*
Electric light and power industry. Price changes, specified periods, from December 1939 to December 1946. *November, 563.*
Employment agencies. Western Europe (France, Belgium, and the Netherlands); postwar reorganization of employment services, hiring and discharge of workers. *December, 684.*
Employment conditions:
Economic shifts in, prewar, wartime, and postwar. *December, 645–649.*
Nurses (registered). Hours, earnings, living arrangements, and opinions regarding conditions of work. Survey made in 1947 by National Nursing Council, Women's Bureau and BLS. Summary. *July, 20–27.*
Trends in, prewar, wartime, and postwar; outlook for future. *December, 637–678.*
Employment conditions, foreign countries:
Italy. Efforts to create jobs. Measures taken in 1947 and earlier years summarized. *September, 336–337.*
Japan. Surplus of workers and resultant low index of productivity. *September, 338–339.*
Employment conditions, foreign countries—Continued
Western Europe, postwar period; training programs to increase size of labor force; French and British plans, details of, with summary of results. *December, 682–683.*
Employment opportunities:
Louisville, Ky., youth, out-of-school. BLS survey, spring 1947, summary. *December, 673–674.*
Plastics products industry. Characteristics of; production and employment trends and prospects. *September, 293–301.*
Employment statistics:
Agricultural and nonagricultural, averages, by year, 1929–46. *December, 638.*
Agriculture. Employment changes, wartime and early postwar, United States and major geographic divisions. *December, 650.*
Armed forces. Averages, by year, 1929–46. *December, 638.*
Averages, employment and unemployment, selected years, 1929–44, by year, 1945–47. *December, 640.*
BLS program for reporting, fiscal year 1947–48. *October, 410.*
Construction. By type of project, 1941–47; quarterly averages for years 1946 and 1947. *November, 562.*
—— Contract. Monthly average, 1943; selected months 1945; monthly (March 1946–June 1947), by State. (*See* Current labor statistics, table A–11, July, August, and September.)
—— Figures for January 1945, August 1946, and estimates for September 1947. *November, 541.*
—— Fresno, Calif. Comparative estimates, by occupation, January 1947. *July, 74.*
—— Trends, 1929–47. *December, 645–649.*
Construction projects. Average employment on; estimates, by type of project, 1941–47. *August, 202.*
—— Definition of and explanation of BLS techniques for estimating employment on. *August, 202–203.*
Exports. Effects of, on employment levels, first half of 1947; basic steps used in preparing estimates. *December, 675–678.*
—— U. S. employment attributable to, by industry group, 1939 and January–June 1947. *December, 676–677.*
Federal. Military branch. Personnel and total pay; yearly, 1939 and 1943; monthly, May 1946–October 1947. (*See* Current labor statistics, table A–15, July, August, September; table A–14, October, November, December.)
—— Washington, D. C. Personnel, monthly (April 1946–June 1947), by branch and agency group; personnel and total pay, yearly 1939 and 1943, monthly July 1946–October 1947), by branch and agency group. (*See* Current labor statistics, table A–14, July, August; table A–13, September, October, November, December.)
—— Yearly, 1939 and 1943; monthly (May 1946–October 1947), by branch and agency. (*See* Current labor statistics, table A–12, July, August, September; table A–11, October, November, December.)

Employment statistics—Continued
Government. Trends, 1929–47. *December, 645–649.*
Indexes, by industry division, selected years, 1929–47. *December, 647.*
Industrial work force, prewar, wartime, and postwar; trends. *December, 645–649.*
Labor force. Monthly (May 1946–October 1947), by employment status, hours worked, and sex. (*See* Current labor statistics, table A–1, *each issue.*)
—— Women in, prewar, wartime, and postwar periods, by age and marital status. *December, 668–670.*
Manufacturing. Annual averages, 1939 and 1943; monthly (May 1946–October 1947), by major industry group. (*See* Current labor statistics, table A–3, *each issue.*)
—— Annual average, 1943; monthly (April 1946–September 1947), by State. (*See* Current labor statistics, table A–4, *each issue.*)
—— Percentage distribution, by industry division, 1939–47. *December, 648.*
—— Production workers; annual average 1939 and 1943; monthly (May 1946–October 1947), by industry group and industry. (*See* Current labor statistics, table A–5, *each issue.*)
—— Production workers, indexes; annual average 1943; monthly (May 1946–October 1947), by industry group and industry. (*See* Current labor statistics, table A–6, *each issue.*)
—— Trends, 1929–47. *December, 645–649.*
—— Women production workers, estimates of, by major industry branch and by selected industry, 1939 and 1943–47. *December, 666–667.*
Mining. Trends, 1929–47. *December, 645–649.*
—— (*See* Current labor statistics, tables A–2, A–8, and A–9, *each issue.*)
Negroes. Occupational and industrial distribution of, by sex, April 1940, 1944, and 1947. *December, 664–665.*
Nonagricultural. Annual averages, 1939 and 1943; monthly (May 1946–October 1947), by industry division. (*See* Current labor statistics, table A–2, *each issue.*)
Nonmanufacturing. Annual average, 1939 and 1943; monthly (April 1946–October 1947), by selected industry group and industry. (*See* Current labor statistics, table A–8, *each issue.*)
—— Indexes; annual average, 1943; monthly (April 1946–October 1947), by selected industry group and industry. (*See* Current labor statistics, table A–9, *each issue.*)
Percentage distribution, by industry division, selected years, 1929–47. *December, 647.*
Plastics products industry. Estimates, by year, 1937 to 1946 (December). *September, 297.*
Public utilities. Trends 1929–47. *December, 645–649.*
Seaboard Airline Railroad. Minimum force, employment, annual pay roll; six mechanical trades, 1923–46. *August, 170*
Service. Trends, 1929–47. *December, 645–649.*

Employment statistics—Continued
Trade, wholesale and retail. Trends, 1929–47. *December, 645–649.*
Veterans (employed). Percentage distribution, by status, age, occupational group, and race, March and November 1946. *July, 63–65.*
Wage and salary workers; number of, in nonagricultural establishments, by industry division, 1929–47. *December, 647.*
Women workers. Percentage of total workers, by occupation, April 1940, 1945 and 1947. *December, 669.*
—— Production. Percentage of total production workers, by major industry branch, October 1939 and April 1947. *December, 669.*
Workers, classified by major occupational group and by sex, April 1940, 1945, and 1947. *August, 140, 146.*
Youth. Number in labor market, 14 through 19 years of age, by age group, October 1946, April 1947. *December, 672–673.*
(*See also* Labor force.)
Equal pay. Great Britain. Wartime provision for, in collective agreements; unsuccessful efforts of engineering unions to equalize rates for men and women; effect of inequities on labor market. *September, 289.*
Equal-pay laws:
State legislation, 1947, prohibiting discrimination in wages because of sex. *September, 283.*
—— (*See under* Legislation, U. S., by State, for specified State.)
European recovery program. Labor force in countries participating in; analysis and summary. *December, 678–684.*
Executive orders. (*See under* Legislation, U. S., Federal and general.)
Expenditures:
Construction. New. By quarter, 1946 and 1947, and by year, 1939–46. *November, 540.*
—— Review of, 1939–46; future prospects. *November, 539–543.*
—— Total, 1939 and 1946; monthly (June 1946–November 1947), by type of project. (*See* Current labor statistics, table F–1, *each issue.*)
Consumer. Intentions to buy, 1946 and 1947, and actual purchases, 1946, by income group; attitudes toward selected purchases in 1946 and 1947, percentage distribution of all spending units. *September, 329–330.*
Nurses, private duty and institutional; amounts reported and items covered. *November, 548.*
Exports. Effects of, on employment levels, first 6 months 1947; basic steps used in preparing estimates. *December, 675–678.*

Factory workers. (*See under* Manufacturing industries.)
Fair employment practice:
Antidiscrimination laws, 1947. *August, 198–199; September, 278.*

Fair employment practice—Continued
Connecticut. State antidiscrimination law, 1947. Provisions; role of Interracial Commission in administration. *August, 198; September, 278.*
Oregon. State antidiscrimination law, 1947. Provisions; role of State Department of Education in administration. *August, 198–199; September, 278.*
Fair Labor Standards Act:
National standard for employment of children established by; provisions. *December, 672.*
State statutes of limitations for suits under. Changes in 1947. *September, 277, 283–284.*
—— (*See under* Legislation, U. S., by State, Wage claims, for specified State.)
Family allowances, foreign countries:
France. Seine department (Paris included). Amounts provided, 1939–47. *August, 152.*
—— Wartime and postwar increases in; details of plan. *August, 149, 152, 154–157.*
Great Britain. Payments of, beginning August 1946, under law of June 15, 1945. *September, 287.*
Sweden. Effective January 1, 1948. *October, 432.*
Farm workers. Hired. Value and kind of perquisites furnished to, by region, 1945. *August, 193.*
Federal employees. (*See under* Government employees.)
Federal Interagency Committee on Migrant Labor. Summary of report; recommendations. *July, 70–71.*
Federal Mediation and Conciliation Service (U. S. Government):
Creation under Labor Management Relations Act, Title II; duties of. *July, 60–61.*
(*See also under* Conciliation and arbitration.)
Finances:
Consumer. Survey (sponsored by Federal Reserve Board), 1947. Summary of findings. *September, 329–331.*
Spending units, 1946; proportion of, showing saving and dissaving, by income group; nonliquid assets, holdings of. *November, 558–559.*
Foreign labor conditions. (*See* Working conditions, foreign countries.)
Foundry industry:
Ferrous and nonferrous. Bonus, nonproduction; extent of use, as of October 1946. *August, 183.*
—— Group insurance, extent of use of, as of October 1946. *August, 183.*
—— Pensions; extent of provision for, as of October 1946. *August, 183.*
—— Shift differentials; extent of use of, as of October 1946. *August, 183.*
—— Vacation with pay, extent of provision for, as of October 1946. *August, 183.*
—— Wage incentives, use of and comparison with time workers. *August, 182–183.*
—— Wage structure, October 1946 compared with January 1945; straight-time hourly earnings, men, selected occupations, by region, and percentage distribution, by straight-time hourly earnings and region, October 1946. *August, 180–183.*
Gas industry. Price changes, specified periods, from December 1939 to December 1946. *November, 563.*
Glassware industry:
Bonus, nonproduction. Extent of use, as of January 1947. *November, 551.*
Characteristics; findings based on BLS study of earnings in January 1947; straight-time hourly earnings, selected occupations, by industry branch; and distribution, all plant workers, by straight-time hourly earnings, United States and selected regions. *November, 549–551.*
Group insurance. Extent of provision for, as of January 1947. *November, 551.*
Paid lunch periods. Extent of provision for, as of January 1947. *November, 551.*
Pensions. Extent of provision for, as of January 1947. *November, 551.*
Shift differentials. Extent of use of, as of January 1947. *November, 551.*
Sick leave. Extent of provision for, as of January 1947. *November, 551.*
Vacation with pay. Extent of provision for, as of January 1947. *November, 551.*
Government employees:
Federal. Employment trends, 1929–47. *December, 645–649.*
—— Strikes by; prohibition from participation in, and penalties imposed, under section 305 of Labor Management Relations Act; clarification of, by Civil Service Commission. *July, 62; October, 440.*
—— (*See* Current labor statistics, tables A–12 and A–14, July, August, September, and tables A–11 and A–13, October, November, and December.)
Federal, military branch. (*See* Current labor statistics, table A–15, July, August, September, and table A–14, October, November, December.)
State legislation, 1947, prohibiting strikes by. *September, 281.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Group insurance:
Extent of provision for, selected manufacturing and nonmanufacturing industries, 1945 and 1946; summary. *July, 53–57.*
Foundry industry, ferrous and nonferrous. Life or health insurance; extent of provision for, 1946. *August, 183.*
Glassware industry. Extent of provision for, January 1947. *November, 551.*
Machinery industries. Extent of provision for, as of October 1946. *September, 320.*
Manufacturing and nonmanufacturing industries. Percentage distribution of establishments having, by type of plan and region, 1945–46. *July, 54–55.*
Metal furniture industry. Extent of provision for, as of January 1947. *October, 449.*
Nurses, general staff. Extent of provision for, as of October 1946. *November, 548.*
Nurses, public health. Extent of provisions for, as of October 1946. *September, 303.*

Group insurance—Continued
Railroad workers. Sickness and maternity benefits for, as of July 1947. *August, 194–195.*
Wholesale drugs and allied products; extent of provision for, as of January 1947. *November, 554.*
Women's blouse and waist industry. Extent of provision for, as of January 1947. *September, 316.*
Guaranteed wage, United States:
Power laundries, cleaning and dyeing. Provisions for, in collective agreements, 1946. *August, 160.*
Seaboard Airline Railroad. Origin, terms, administration, operation, and evaluation of plan; summary. *August 167–171.*
Study of, by Advisory Board of Office of War Mobilization and Reconversion; recommendations concerning, in report to President, issued by White House, April 27, 1947. *July, 40.*
Guaranteed wage, Great Britain. Wages Council Act, March 1945; trade boards' powers, to permit paid holidays and fix guaranteed wage. *September, 291.*
Details of plan; estimated number of workers covered by, in 1947. *September, 286.*
Gypsum products:
Characteristics of industry; findings based on BLS study late in 1946, of 18 plants or 40 percent of year's production. *October, 453–456.*
Man-hour requirements, per unit of product, by major operation, 1946. *October, 453–454.*

Handicapped workers.
Jobs for, through collective bargaining; advocated by AFL. *August, 205.*
Foreign countries. Utilization of, postwar period, western Europe. *December, 682–683.*
Hardwood flooring:
Characteristics of industry and method of labor-requirements survey, 1947. *July, 49–50.*
Man-hour requirements by operation, process, and plant department, 1946; comparison with 1945 requirements. *July, 49–53.*
Health:
Power laundries, cleaning and dyeing. Health and welfare provisions in collective agreements, 1946. *August, 164.*
Railroad workers. Sickness and maternity benefits for, as of July 1947. *August, 194–195.*
Women's blouse and waist industry. Health and welfare plans; extent of use of, as of January 1947. *September, 316.*
Workers'. (*See* Safety and health of workers.)
Health insurance. Manufacturing and nonmanufacturing industries. Percentage distribution of establishments having, by region, 1945–46. *July, 54–55.*
Holidays, paid. Power laundries, cleaning and dyeing. Provisions for, in collective agreements, 1946. *August, 162–163.*
Hotels (year-round). Straight-time hourly earnings, selected occupations in 31 large cities, June 1947. *October, 450.*
Hours of work:
Child labor. State legislation changing provisions concerning, 1947. Summary. *September, 278.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Foundry industry, ferrous and nonferrous. Workweek, length of, October 1946, in contrast with January 1945. *August, 183.*
Glassware industry. Workweek, length of, as of January 1947. *November, 551.*
Length of workweek in prewar, wartime and postwar periods. Study of effects of changes in, on output and other factors. *July, 5–14.*
Machinery industries. Workweek, length of, in October 1946 in contrast with January 1945. *September, 320.*
Machine-tool industry, selected types. Indexes, unit man-hours (direct and indirect labor, sum of); direct labor man-hours only; unit and direct man-hours, by size of plant. *August, 187–192.*
Metal furniture industry. Workweek, length of, as of January 1947. *October, 449.*
Seven-day week. Study of desirability of. *July, 13–14.*
State legislation changing provisions concerning, 1947. Summary. *September, 278.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Wholesale drugs and allied products. Workweek, length of, as of January 1947. *November, 554.*
Women's blouse and waist industry. Workweek, length of, as of January 1947. *September, 316.*
Housing:
Housing and Rent Act of 1947. Provisions. *September, 309–310.*
Labor requirements, future, in anticipated building programs; development of techniques for use in determining; tests and conclusions. *July, 73–75.*
Prefabricated or factory-made; use of, in lowering existing costs. *August, 205.*
Housing. Great Britain. Construction, by region, end of 1946, estimated for 1947; under construction, or approved but not started, by type, end of 1946, estimated for 1947. *August, 196–197.*

Incentive-wage plans. (*See* Wage incentives.)
Income:
Consumer. Money and liquid assets; median amounts of spending units, by income group, 1946. *September, 330–331.*
—— Share received by each tenth of Nation's spending units, ranked by size of income, 1946 and 1945. *September, 330.*
—— Spending units, money income received, and liquid assets; percentage distribution, by income groups, 1946 and 1945. *September, 331.*
National, 1946, revised; by distributive share, 1929–47. *September, 325–327.*
Personal, by source, 1929–47. *September, 328.*
Savings of, by various groups, 1946. *November, 558–559.*

Indexes. Great Britain. Retail prices; former cost-of-living index terminated; interim index, use of, beginning in July 1947; differences in weights, and new items to be priced. *August, 195–196.*

Industrial diseases and poisons. (*See* Workmen's compensation, Occupational diseases.)

Industrial disputes. (*See* Labor-management disputes.)

Industrial relations. (*See* Labor-management relations.)

Injunctions. Provisions for granting, under Labor Management Relations Act, 1947; Norris-LaGuardia Act to be disregarded. *July, 61.*

Injuries:

Effects of long hours on; rate of incidence of. *July, 8.*

Plastics products industry. Disabling injuries, 1946, compared with rate for all manufacturing; nature of hazards. *September 296–297.*

Pulpwood logging industry. Frequency rates, 1944, and comparisons with rates for general logging and manufacturing. *August, 175–176.*

(*See also* Accident statistics.)

Injuries, industrial. (*See* Accident statistics.)

Injury-frequency rates. (*See under* Accident statistics.)

Insurance. (*See* Group insurance; Life insurance.)

Jurisdictional disputes:

State legislation regulating or prohibiting, 1947. Summary. *September, 280–281.*

—— (*See under* Legislation, U. S., by State, for specified State.)

Unfair labor practice under Labor Management Relations Act, 1947; administrative procedures for prevention of. *July, 59–60, 62.*

Labor courts. Norway. Collective agreements. Scope of authority in enforcement of. *September, 340–341.*

Labor, Department of (U. S. Government):

Bureau of Labor Statistics. Realignment of functions to meet requirements of Labor Management Relations Act. *October, 436.*

Conciliation Service. End of operation as division of Department of Labor; historical summary. *August, 172–174.*

—— Functions and personnel, transfer of, to Federal Mediation and Conciliation Service, under Labor Management Relations Act, Title II. *July, 60–61.*

Division of Labor Standards. Union Registration Branch established; function. *October, 436.*

Labor education. (*See* Workers' education.)

Labor force, United States:

Changes in, prewar, wartime, and postwar; outlook for future growth. *December, 637–678.*

Deviation of, from normal, April 1945, 1946, 1947, by age and sex. *December, 641.*

Employment and unemployment; averages, selected years, 1929–44; by year, 1945–47. *December, 640.*

Number of persons and percent of population in, by age group, week ended March 30, 1940. *December, 638–639.*

Labor force, United States—Continued

Percent of population in, prewar and postwar, and changes in, by sex, including data for Western European countries participating in ERP. *December, 679–680.*

Total. Civilian and armed forces, by employment status and by year, 1929–46. *December, 638.*

—— Estimated. Monthly (May 1946–October 1947), by employment status, hours worked, and sex. (*See* Current labor statistics, table A–1, *each issue.*)

Veterans; postwar participation of. *December, 642, 644.*

Withdrawal of women from, April 1945–April 1947; proportion of older women remaining, April 1947. *December, 662.*

Women. Percent of all production workers, by major industry branch, October 1939 and April 1947. *December, 669.*

—— Percent of all workers by occupation, April 1940, 1945, and 1947. *December, 668–669.*

—— Percentage distribution of, by age group, April 1940, 1945, and 1947. *December, 669.*

—— Postwar decline in total participating in; postwar occupational shifts by. *August, 144–145.*

—— Prewar, wartime, and postwar periods, by age and marital status. *December, 668–670.*

—— Wartime; increase in numbers and proportion. *December, 666.*

Women and older workers. Wartime contributions; postwar problems. *December, 661–663.*

(*See also under* Employment statistics.)

Labor force, foreign countries:

European Recovery Program. Labor force in countries participating in; analysis and summary. *December, 678–684.*

Percent of population in, in countries participating in ERP, prewar and postwar, and changes in, by sex; character of components; United States figures included. *December, 679–680.*

Structure, and percentage distribution by industrial classification, in France, Great Britain, and Norway, prewar and postwar periods. *December, 680–681.*

Labor-management disputes, United States:

American Overseas Airlines Inc. and International Airline Pilots' Association (AFL). Pilots' and co-pilots' strike, September 30 to October 18, 1947; contract negotiations, stand-by status of pilots during time off between flights; details of settlement. *November, 566.*

Coal (bituminous). Unauthorized walk-outs, June 1947, Alabama and Pennsylvania, preceding official 10-day vacation period; return of mines to private control, June 30, 1947; new contract provisions. *July, 71–72; August, 203.*

Developments, significant, by month, June to October 1947. *July, 71–72; August, 203–205; September, 344–345; October, 462–463; November, 566–567.*

Ford Motor Co. Issue of "financial penalty exemption clause"; agreement reached August 21, 1947, strike averted. *September, 345.*

Labor-management disputes, United States—Continued
International Brotherhood of Teamsters and Railway Express Agency (New York City). Drivers' strike, September 19 to October 13, 1947, resultant lay-offs; agreement to submit demands to fact-finding board named by President. *October, 463; November, 566.*
International Harvester Co. (Louisville, Ky.). Strike, September 18 to October 27, 1947, over wage and wage differential issues. *November, 566.*
International Harvester Co. (Rock Island and East Moline, Ill.) and Farm Equipment Workers Union (CIO). Mid-October strike protesting discharge of union workers; grievances submitted to arbitration. *November, 566.*
International Longshoremen's Association (AFL) and New York Shipping Association. Preferential hiring clause retained in new agreement signed August 21, 1947, prior to effective date of Labor Management Relations Act; 6-day strike of two New York locals. *September, 345.*
Maritime workers. Work stoppage following expiration of contracts on June 15, 1947; summary. *July, 72.*
Murray Corp. of America. Strike (28 days) beginning late July 1947, involving "fundamental principles" under new Management Relations Act, viz, responsibility for damages for unauthorized work stoppages; details of settlement. *August, 203–204; September, 344–345.*
Power laundries, cleaning and dyeing. Provisions for adjustment of, in collective agreements, 1946. *August, 166.*
Railroads. Southern Pacific; brief strike, July 21 and 22, 1947. *August, 204.*
Remington Rand Corp. Strike, May 26–July 31, 1947, involving seven cities in New York and Michigan; details of settlement. *August, 204–205.*
Shipbuilding. Bethlehem Steel Co., Todd Shipyards Corp., Higgins Industries, and other yards, beginning June 26, 1947. Background of controversy; spread of strike, workers involved; partial settlement. *July, 72; August, 203–204; September, 344; October, 462; November, 566.*
Strikes. State legislation restricting, 1947. Summary. *September, 280–281.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Strikes and lock-outs. Developments to prevent, following passage of Labor Management Relations Act; summary. *October, 440–441.*
—— Unfair labor practice under Labor Management Relations Act, 1947; administrative procedures for prevention of; President authorized to appoint board of inquiry to investigate; provision for injunctive relief. *July, 59–61.*
—— (*See also* Work stoppages, *this section.*)
Union Railroad Co. Walk-out, September 1947, resultant lay-offs at Carnegie-Illinois Steel Corp.; issues involved and basis of settlement. *October, 462–463.*

Labor-management disputes, United States—Continued
Waterfront Employers' Association of Southern California. Port tie-up, beginning October 1, 1947, outgrowth of dispute between Luckenbach Steamship Co. and International Longshoremen's and Warehousemen's Union (CIO); demand of dock foremen that Association recognize union as bargaining agent; arbitration committee appointed by Secretary of Labor to settle dispute; vote by union, October 14, to return to work. *November, 567.*
Work stoppages. Man-days idle, April–September 1947. *October, 462.*
—— Resulting from labor-management disputes, selected periods; monthly, May 1946–October 1947. (*See* Current labor statistics, table E–1, *each issue.*)
—— Statistics, by major issues involved and industry group, first quarter, 1947. *September, 335–336.*
Labor-management disputes. Norway. Legislation to provide peaceful settlement of; work stoppages, Government methods of handling. *September 340–343.*
Labor-management relations, United States:
Activities in, during period from passage of Labor Management Relations Act, June 23, 1947, to August 22, full effective date; summary. *October, 436, 440–441.*
BLS program for reporting on, fiscal year 1947–48. *October, 412–413.*
Joint congressional committee to study; provision for establishment of. *July, 62.*
Minimum force agreement between Seaboard Airline Railroad and Federated Shop Crafts (System Federation No. 39, Railway Employees' Department, AFL); summary of plan. *August, 167–171.*
Oregon. Elections, authority of Commissioner of Labor to hold; 1947 law. *September, 282.*
State legislation, 1947. Summary. *September, 277–284.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Labor-management relations. Norway. Stabilization of, in post-liberation era. *September, 343.*
Labor Management Relations Act, 1947:
AFL and CIO attacks on; program of action for repeal of. *November, 529, 532.*
Operations under, first 2 months; summary. *October, 436–441.*
Registration forms required under provisions of section 9 (f) and (g); samples. *October, 436–439.*
—— Summary of provisions. *July, 57–62.*
Labor month in review. Major events currently affecting labor; summary of. *July, 2–3; August, 137–138; September, 275–276; October, 407–408; November, 525–526; December, 635–636.*
Labor organizations:
State legislation, 1947, fixing liability of members for damages in certain situations. *September, 282.*
—— (*See under* Legislation, U. S., by State, for specified State.)

Labor organizations, foreign countries:
Germany. U. S. Government directive of July 1947, permitting organization and functioning of. *October, 459–460.*
Netherlands. Membership as of 1940, January 1, 1946, and January 1, 1947. *October, 462.*
Turkey. Legislation concerning, as of 1947. *August, 197–198.*
Labor policies. Germany. U. S. Government directive of July 1947, outlining; summary. *October, 459–460.*
Labor relations. (*See* Labor-management relations.)
Labor requirements:
Construction machinery (selected). Man-hour requirements per unit, 1939–45; indexes, by type of product and of labor; factors affecting production. *July, 41–47.*
Gypsum products. Man-hour requirements per unit of product, by major operation, 1946. *October, 453–456.*
Hardwood flooring. Man-hour requirements to produce, by 1,000 feet, 1946; comparison with 1935 requirements. *July, 49–53.*
Machine-tool industry. Man-hour requirements (direct and indirect labor) to produce selected major types, by year, 1940–45; indexes (1939=100), by type of machine tool and by size of plant; trends. *August, 186–188, 192.*
Labor turn-over:
Manufacturing. Monthly, year 1939 and January 1943–September 1947, by class of turn-over. (*See* Current labor statistics, table B-1, *each issue.*)
—— Rates for men and women; monthly (March–July 1947), by selected industry group. (*See* Current labor statistics, table B-3, July, August, September, October, November.
Selected groups and industries. Monthly (March 1947–September 1947), by class of turn-over. (*See* Current labor statistics, table B-2, *each issue.*)
Learners. (*See* Apprenticeship.)
Legislation, U. S., Federal and general:
Apprenticeship. State legislation establishing councils, 1947. *September, 277.*
Boycotts, secondary, State legislation prohibiting, 1947. *September, 280.*
Check-off. State legislation restricting use of, 1947. *September, 282–283.*
Child labor. State legislation regulating, 1947; summary. *September, 277–278.*
Closed shop. State "right-to-work" legislation prohibiting, 1947. *September, 279.*
Discrimination in employment. Laws of Connecticut and Oregon. *September, 278.*
Employment Act of 1946, official policy of U. S. Government. *December, 642.*
Equal pay laws. Discrimination in wages because of sex prohibited, New Hampshire, Pennsylvania; laws of 1947. *September, 283.*
Executive Order 9240. Premium pay provisions for Saturday, Sunday, and holiday work altered by; provisions. *October, 419.*
Legislation, U. S., Federal and general—Continued
Fair Labor Standards Act. National standard for employment of children established by; provisions. *December, 672.*
—— State statutes of limitations for suits under. Changes in 1947. *September, 277, 283–284.*
Government employees. Strikes by. State laws, in 1947, prohibiting. Summary. *September, 281.*
Jurisdictional disputes. State legislation regulating or prohibiting, 1947. *September, 280–281.*
Labor-management relations. State legislation, 1947. Summary. *September, 278–283.*
Labor Management Relations Act, 1947. Summary of provisions. *July, 57–62.*
Labor organizations. Suits by and against, and responsibility for actions of authorized representatives. State laws, 1947. Summary. *September, 282.*
Labor Relations Acts, 1947. Enacted in Delaware; amended in Massachusetts, Pennsylvania, Utah, Wisconsin. *September, 281–282.*
National Labor Relations Act, amended by Labor Management Relations Act, 1947, Title I. *July, 58–60.*
Portal-to-Portal Act of May 14, 1947. Provisions. *August, 199–202.*
Postal workers. Rural mail carriers, annual and sick leave provisions; amendment, April 30, 1947, to law of July 6, 1945, bettering. Postmasters, fourth-class; compensation to persons substituting for, law of July 22, 1947. *September, 344.*
Public employees. (*See* Government employees.)
Public utilities. State legislation providing for regulation of disputes in. *September, 279, 281.*
Rents. Housing and Rent Act of 1947, extending control to March 1, 1948 (except on certain categories of housing). *September, 309–310.*
Safety and health of workers. State legislation establishing agencies responsible for, 1947. *September, 283.*
Social Security Act. Benefits for aged. *December, 661.*
State laws enacted in 1947. Summary. *September, 277–284.*
Taft-Hartley Act. (*See* Labor Management Relations Act, *this section.*)
Union registration and financial reports. Provisions of 1947 State laws requiring. *September, 282.*
Wage claims. State legislation covering; changes in, 1947. *September, 277, 283–284.*
Workmen's compensation. Occupational diseases. State legislation, 1947. *September, 277, 284; October, 415–416.*
—— Second-injury funds. State legislation, 1947. *September, 277, 284; October, 415.*
—— State laws providing for administration of, changes in, 1947. *October, 418.*
—— State legislation, 1947; summary. *September, 277, 284; October, 415–418.*

Legislation, United States, by State:
Arizona. Closed shop. "Right-to-work" law prohibiting, 1947. *September, 279.*
—— Labor organizations. Suits by and against, legality of, 1947. *September, 282.*
—— Picketing. 1947 law restricting. *September, 280.*
Arkansas. Check-off. 1947 law restricting use of. *September, 283.*
—— Closed shop. "Right-to-work" law prohibiting, 1947. *September, 279, 283.*
—— Fees or assessments to unions as condition of employment prohibited, law of 1947. *September, 283.*
—— Safety and health of workers. Division of industrial hygiene established in State board of health, 1947. *September, 283.*
California. Boycotts, secondary. 1947 law prohibiting. *September, 280.*
—— Hours. Women workers. Law relaxing 8-hour day repealed, 1947; permits canceled. *September, 278.*
—— Jurisdictional disputes. 1947 law prohibiting, *September, 280.*
—— Wage claims. Statute of limitations for; change in, 1947. *September, 283.*
—— Workmen's compensation, death benefits; changes in, 1947. *October, 417.*
—— Workmen's compensation, disability benefits; increases in, 1947. *October, 416–417.*
Colorado. Hours. Women workers. Permission to exceed 8-hour day in emergency; permit and overtime requirements; 1947 law. *September, 278.*
—— Safety and health of workers. State board of public health authorized, 1947, to enforce sanitary standards. *September, 283.*
—— Workmen's compensation, death benefits; changes in, 1947. *October, 417.*

Coal (anthracite and bituminous). Work stoppages, June 1947, in protest against Taft-Hartley Act. *July, 71–72.*
Coal (bituminous). Collective agreement between operators and United Mine Workers of America, signed July 7, prior to passage of Labor Management Relations Act; provisions. *October, 440.*
Coal. Output, per man-shift, year 1938, May 1947; percent change, 1938 to 1947; data for United Kingdom, Netherlands, Germany (British and French Zones), France, Belgium included. *December, 681.*
Mining, foreign countries:
Coal. Output, per man-shift, in United Kingdom, Netherlands, Germany (British and French zones), France, Belgium, year 1938, May 1947; percent change, 1938 to 1947; United States data included. *December, 681.*
Western Europe. Coal production (and certain other industries); postwar efforts to improve. *December, 682–683.*
Monthly Labor Review:
Change in format. Organization of, explained. *July,* II.
History of, purposes, and activities since 1915. *July, 15–19.*
Issue in brief. *July 1; August,* II; *September,* II; *October,* II; *November,* II; *December,* II.
National Labor Relations Act. (*See under* Legislation, U. S., Federal and general.)
National Labor Relations Board (U. S. Government):
New personnel authorized by Labor Management Relations Act, appointment of; operating functions outlined. *October, 439–440.*
Non-Communist affidavit; ruling on, reversing interpretation of General Counsel. *November, 565.*
Structure and internal operation; changes in, under Labor Management Relations Act, 1947. *July, 58.*
Negroes:
Employed. Occupational and industrial distribution of, by sex, April 1940, 1944, and 1947. *December, 664–665.*
—— Proportion of, to total employment in each major occupational group, by sex, April 1940, 1944, and 1947. *December, 665.*
Labor force. Wartime and postwar shifts in. *December, 663–665.*
Nurses, United States:
Private duty. Percentage distribution of, by hourly rates of pay, October 1946. *November, 546.*
Private duty and staff. 1947 survey of earnings, hours, and working conditions, as of October 1946; opinions of nurses, regarding their work, by subject. *November, 544–548.*
Public health. Hours, earnings, professional expenses, conditions of work. Survey, 1947, by National Nursing Council, Women's Bureau, and BLS. Summary. *September, 302–303.*
Registered. Hours, earnings, living arrangements, and opinions regarding conditions of work. Survey made in 1947 by National Nursing Council, Women's Bureau, and BLS. Summary. *July, 20–27.*
Staff, general; duties of, and percentage of time allocated to each. *November, 548.*
Occupational diseases. (*See under* Workmen's compensation.)
Occupational outlook. BLS program for reporting on, fiscal year 1947–48. *October, 414.*
Occupational trends:
Employed workers, classified by major occupational group and by sex, April 1940, 1945, and 1947. *August, 140, 146.*
Wartime and postwar, comparison of; shifts in, prospects of growth, by category. *August, 139–147.*
Occupations:
Clerical. Trends, 1940–47, and future outlook; Civil war ratio. *December, 658–659.*
Farm, domestic, and unskilled. Trends, 1940–47 and future outlook. *December, 659.*

Occupations—Continued
Professional and semiprofessional. Trends, 1940–47, and future outlook. *December, 655–656.*
Sales. Trends, 1940–47, and future outlook. *December, 658.*
Semiskilled. Trends, 1940–47, and future outlook. *December, 658.*
Shifts in, wartime and postwar, by field, and future potentialities; summary. *December, 654–659.*
Skilled. Trends, 1940–47, and future outlook. *December, 657–658.*
Office of War Mobilization and Reconversion, Advisory Board. Report to President on work accomplished; issued by White House, April 27, 1947; recommendations on guaranteed wage. *July, 40.*
Older workers:
Employment problems of, wartime, peacetime; future outlook; summary. *December, 660–663.*
Labor force activity of; prewar trend, wartime participation. *December, 638–639, 641, 643–644.*
Percentage increases of, in labor force, April 1945. *December, 661.*
Output. (*See* Productivity.)
Overtime:
Belo case. (*See under* Court decisions, Fair Labor Standards Act.)
Power laundries, cleaning and dyeing. Provisions for, including week end work, in collective agreements. *August, 162.*

Paid lunch periods. (*See* Lunch periods, paid.)
Pay rolls:
BLS program for reporting, fiscal year 1947–48. *October, 410.*
Federal. Military branch, yearly, 1939 and 1943; monthly, May 1946–October 1947. (*See* Current labor statistics, table A–15, July, August, September; table A–14, October, November, December.)
—— Washington, D. C.; yearly, 1939 and 1943; monthly (July 1946–October 1947), by branch and agency group. (*See* Current labor statistics table A–14, September, table A–13, October, November, December.)
—— Yearly, 1939 and 1944, monthly (May 1946–October 1947), by branch and agency group. (*See* Current labor statistics, table A–13, July, August, September; table A–12, October, November, December.)
Manufacturing. Production workers; indexes; annual average, 1943; monthly (May 1946–October 1947), by industry group and industry. (*See* Current labor statistics, table A–7, *each issue.*)
Nonmanufacturing. Indexes; annual average, 1943; monthly (April 1946–October 1947), by selected industry group and industry. (*See* Current labor statistics, table A–10, *each issue.*)
Pensions:
Foundry industry, ferrous and nonferrous; extent of provision for, as of October 1946. *August, 183.*
Pensions—Continued
Glassware industry. Extent of provision for, as of January 1947. *November, 551.*
Machinery industries. Extent of provision for, as of October 1946. *September, 320.*
Manufacturing and nonmanufacturing industries. Percentage distribution of establishments having plans, by region, 1945–46. *July, 54–55.*
Metal furniture industry. Extent of provision for, as of January 1947. *October, 499.*
Nurses, general staff; provisions for, as of October 1946. *November, 548.*
Nurses, public health. Extent of provisions for, as of October 1946. *September, 303.*
Wholesale drugs and allied products; extent of provision for, as of January 1947. *November, 554.*
Perquisites. (*See under* Wages and hours, U. S.)
Picketing:
State legislation restricting, 1947. Summary. *September, 277–280.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Plastics products industry:
Characteristics of; processes; trends in production and employment; prospective technological changes; employment outlook. *September, 293–301.*
Disabling injuries, 1946, compared with rate for all manufacturing; nature of hazards. *September, 296–297.*
Poisons, industrial. (*See* Workmen's compensation. Occupational diseases.)
Political contributions. Legislation prohibiting, by corporations and labor organizations. *July, 62.*
Population, United States:
Estimates, by age group, years 1940 to 2000. *December, 644.*
Total and percent change in, prewar and postwar; data for countries participating in European Recovery Program included. *December, 679–680.*
Population. Western Europe. Total and percent changes in, prewar and postwar, in countries participating in ERP: United States data included. *December, 679–680.*
"Portal to Portal":
Act of May 14, 1947. Provisions. *August, 199–202.*
Idaho. Claims restricted by 1947 law; methods of determining "hours worked" set up. *September, 283.*
Postal workers. Rural mail carriers, annual and sick leave provisions; amendment, April 30, 1947, to law of July 6, 1945, bettering. Postmasters, fourth class; compensation to persons substituting for, law of July 22, 1947. *September, 344.*
Postwar. Labor force; changes in, outlook for future growth. *December, 637–678.*
Power laundries:
Discharges and quits. Miscellaneous causes for, in collective agreements, 1946. *August, 165.*
Earnings, July 1947, by city, occupation, and sex; comparisons with July 1945. *November, 554–555.*

Power laundries—Continued
Cleaning and dyeing. Characteristics; collective agreements in 33 plants, covering 65 percent of total production workers under union contracts, 1946; analysis of provisions. *August, 158–166.*
Prefabricated housing. (*See under* Housing.)
Premium pay. (*See under* Wages and hours.)
President's economic report to Congress. Midyear report, July 21, 1947. Economic situation, appraisal of; developments since first report (January 8, 1947). *September, 321–325.*
Price policies, foreign countries:
Canada. Trends, 1939–June 1947; legislation affecting; wartime and postwar stabilization program; reliance on subsidies. *October, 426–430.*
Sweden. Wartime stabilization program, voluntary control; Price Control Act, 1941, authorizing cartels, prohibiting profiteering; postwar anti-inflation program. *October, 431, 434–435.*
Prices, United States:
BLS program for reporting, fiscal year 1947–48. *October, 410–411.*
Building materials. Changes second quarter 1947. *September, 311–312.*
—— Indexes of, and percentage increases, specified periods from July 1914 to June 1947. *September, 312.*
Chemicals and allied products. Changes, second quarter 1947. *September, 312–313.*
Consumers' index. Large cities. Average, specified periods; monthly (May 15, 1946–September 15, 1947), by commodity grouping. (*See* Current labor statistics, table D–1, *each issue.*)
—— Moderate-income families; monthly (April 15 and May 15, 1947–August 15, and September 15, 1947), by city and commodity group. (*See* Current labor statistics, table D–3, *each issue.*)
—— Moderate-income families, selected periods; August 15, 1939, January 1, 1941, and August 15, 1945; monthly (May 15, 1946–September 1947), by city. (*See* Current labor statistics, table D–2, *each issue.*)
Electricity. Changes in, specified periods, from December 1939 to December 1946. *November, 563.*
Farm products and foods. Changes in, second quarter 1947; comparison, June 1947 with June 1946, selected items. *September, 305–307.*
Fuels and utilities. Changes second quarter 1947. *September, 312.*
Gas. Changes in, specified periods, from December 1939 to December 1946. *November, 563.*
Housefurnishings. Changes, second quarter 1947. *September, 308–309.*
Metals and machinery. Changes, second quarter 1947. *September, 310–311.*
Miscellaneous goods and services. Changes, second quarter 1947. *September, 308–309.*
Paper and pulp. Changes, second quarter 1947. *September, 313.*
Rents, residential. Changes, second quarter 1947; changes in Federal law controlling; local advisory boards provided for; their duties. *September, 309–310.*
Retail. Foods, selected. Indexes, August 1939, monthly, May 1946 to September 1947. (*See* Current labor statistics, table D–6, *each issue.*)
—— Food. Indexes; averages, selected periods; monthly (May 1946–September 1947), by commodity group. (*See* Current labor statistics, table D–4, *each issue.*)
—— Food. Indexes, selected periods; monthly (May 1946–September 1947), by city. (*See* Current labor statistics, table D–5, *each issue.*)
Rubber. Changes, second quarter 1947. *September, 313–314.*
Textile and leather products. Changes, second quarter 1947. *September, 307–308.*
Trends, second quarter 1947; inflationary and deflationary forces evident, summary; percent changes, by item, specified periods to June 1947. *September, 304–305.*
Wholesale. Indexes; August 1939, monthly (May 1946–October 1947), by commodity group and subgroup. (*See* Current labor statistics, table D–9, *each issue.*)
—— Indexes, selected periods; monthly (May 1946–October 1947), by commodity group. (*See* Current labor statistics, table D–7, *each issue.*)
—— Indexes, weekly (April 5–November 29, 1947), by commodity group. (*See* Current labor statistics, table D–8, *each issue.*)
Prices, foreign countries:
Canada. Control of; regulations providing. *October, 426, 429–430.*
France. Black market. Growth of, late 1945 and 1946, and effect on real wages. *August, 152, 154–156.*
—— Indexes of (Paris), 1938–47. *August, 150.*
—— Wartime policies and controls 1939–47; stabilization program 1946–47 and problems of enforcement. *August, 154–157.*
Great Britain. Retail. Interim indexes of, July 1947. *August, 195–196.*
—— Stability of, wartime and postwar periods; cost of living, indexes, 1938–47; wartime stabilization policies. *September, 285–288, 290–291.*
Japan. Government action on, July 1947. Details of stabilization program. *September, 339–340.*
Soviet Union. Consumers. Changes in, open market, ration, commercial store (Moscow), as result of decree of September 16, 1946. *July, 28–35.*
Sweden. Wartime stabilization program; Price Control Act, 1941 and its effects; cost-of-living index, January 1943 and December 1946. *October, 431, 434–435.*
Prisoners of war. (*See under* Manpower, foreign countries.)
Product:
Gross national. Government and private (product or expenditure), 1929–47; private, by factors, 1946. *September, 326–327.*

Product—Continued
Gross national. Percentage of, furnished by construction industry. *November, 539.*
Production, United States:
Gypsum and gypsum products. Annual, in the United States, 1936–46. *October, 453.*
Indexes of, September 1945, June 1947 (1938=100), including data for seven Western European countries (Belgium, Denmark, France, Ireland, Netherlands, Norway, Sweden) participating in ERP. *December, 678.*
Production, foreign countries:
France. Industrial, indexes of, 1945, 1946, and January 1947 (1938=100). *August, 152.*
Indexes of seven Western European countries (Belgium, Denmark, France, Ireland, Netherlands, Norway, Sweden) participating in ERP, September 1945, June 1947 (1938=100); United States data included. *December, 678.*
Productivity, United States:
Agriculture. Indexes of employment, production, and production per worker 1910–46; reasons for wartime increases. *December, 651–653.*
BLS program for reporting, fiscal year 1947–48. *October, 413–414.*
Construction machinery (selected). Man-hour requirements, by type of product and of labor, and by year, 1939–45. *July, 42.*
Effects of long hours on output; study of. *July, 5–14.*
Gypsum products, calcined gypsum; man-hour requirements to process into 1,000 square feet of ⅜-inch board or into 1 ton non-sanded plaster, by major department and plant size, 1946. *October, 454–456.*
Gypsum products, plaster and wallboard; man-hour requirements per unit of product, by major operation, 1946. *October 453–456.*
Hardwood flooring. Man-hour requirements, by operation, process and plant department 1946; comparison with 1935 requirements. *July, 49–53.*
Machine tool industry, selected types. Indexes of man-hours (direct and indirect labor); plant trends and influences causing; factors affecting efficiency. *August, 186–192.*
Mining, coal. Output, per man-shift, year 1938, May 1947; percent changes, 1938 to 1947; data for United Kingdom, Netherlands, Germany (British and French zones), France, and Belgium included. *December, 681.*
Productivity, foreign countries:
Changes in and factors affecting, prewar and postwar periods, Western Europe. *December, 681–682.*
Japan. Index of, April 1947; reasons for low output. *September, 338–339.*
Mining, coal. Output, per man-shift, in United Kingdom, Netherlands, Germany (British and French zones), France, Belgium, year 1938, May 1947; percent changes, 1938 to 1947; United States data included. *December, 681.*
Publications:
BLS monthly subject index of economic data; first issue, June 1947. *August, 174.*
Publications—Continued
Notes on Labor Abroad. To be made available to public at irregular intervals; instructions for obtaining. *August, 174.*
Recent, of labor interest. *July, 82–88; August, 215–224; September, 350–356; October, 468–473; November 581–587; December, 690–695.*
Public employees. (*See* Government employees.)
Public utilities:
State legislation providing for regulation of disputes in. *September, 281.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Pulpwood logging industry. Work injuries and accident causes, 1944; working conditions. *August, 175–180.*

Radio manufacture. Straight-time hourly earnings, by sex, selected occupations, five wage areas, January 1947. *September, 320.*
Railroad workers. Sickness and maternity benefits for, July 1947. *August, 194–195.*
Rationing. Soviet Union. Steps toward elimination of, September 1946; results. *July, 28–35.*
Real wages. (*See* inverted title.)
Rents. Housing and Rent Act of 1947. Provisions. *September, 309–310.*

Safety:
Power laundries, cleaning and dyeing. Provisions for, in collective agreements, 1946. *August, 164.*
Workers. (*See* Safety and health of workers.)
Safety and health of workers:
State legislation, 1947, designating Government agencies responsible for; summary. *September, 283.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Seaboard Airline Railroad. Guaranteed employment plan; summary. *August, 167–171.*
Second-injury funds. (*See under* Workmen's compensation.)
Seniority. Power laundries, cleaning and dyeing. Rules for, in collective agreements, 1946. *August, 163.*
Severance pay. Power laundries, cleaning, and dyeing. Provisions for, in collective agreements, New York City, 1946. *August, 160–161.*
Shift differentials:
Foundry industry, ferrous and nonferrous. Extent of use of, October 1946. *August, 183.*
Glassware industry. Extent of use of, January 1947. *November, 551.*
Machinery industries. Extent of use of, October 1946. *September, 320.*
Manufacturing. Proportion of establishments with late-shift operations paying shift differentials, by shift and industry, 1945–46; practices in selected groups 1945–46. *August, 184–185.*
—— Extent of use of, 1945–46. *August, 183–185.*
—— Percentage distribution, establishments and plant employment in selected groups, by shift, 1945–46. *August, 185.*

Shift differentials—Continued
Metal furniture industry. Extent of use of and rates paid, as of January 1947. *October, 449.*
Power laundries, cleaning and dyeing. Provisions for, in collective agreements, 1946. *August, 161.*
Proportion of workers receiving, latter half of 1946, by industry, and amounts paid. *October, 423–424.*
Sick leave:
Glassware industry. Extent of provision for, January 1947. *November, 551.*
Machinery industries. Extent of provision for, as of October 1947. *September, 320.*
Manufacturing and nonmanufacturing industries. Extent of provision for, 1945–46. *September, 333–334.*
Metal furniture industry. Extent of provision for, as of January 1947. *October, 449.*
Nurses, general staff; prevalence of practice, October 1946. *November, 548.*
Nurses, public health. Extent of provision for, as of October 1946. *September, 303.*
Power laundries, cleaning and dyeing. Provisions for, paid, in collective agreements, 1946. *August, 163.*
Wholesale drugs and allied products; extent of provision for, as of January 1947. *November, 554.*
Silicosis. Benefits. Changes in occupational disease laws, 1947, Minnesota and New York. *October, 415–416.*
Statistics, current labor. List of tables. *July, 89–90; August, 225–226; September, 357–358; October, 474–475; November, 588–589; December, 696–697.*
Strikes and lock-outs:
Power laundries, cleaning and dyeing. Provisions restricting or permitting, in collective agreements, 1946. *August, 166.*
(*See also* under Labor-management disputes.)
Subsidies:
Canada. Payment of, end of 1941, to forestall wage increases; reliance on, in connection with price control. *October, 430.*
Sweden. Use of, in wartime stabilization program. *October, 434–435.*

Taft-Hartley Act. (*See* Labor Management Relations Act.)
Trade unionism. (*See* Labor organizations.)
Training. Labor force, programs to increase size of, postwar period, Western Europe; French and British plans, with summary of results. *December, 682–683.*

Unemployment. Averages, by year, 1929–46. *December, 638, 640.*
Unemployment. Italy. Registered unemployed, by industrial group, selected periods, 1946–47. *September, 337.*
Unfair labor practices. List of, under Labor Management Relations Act, 1947; administrative procedures for prevention of. *July, 58–60.*
Union registration and financial reports:
State legislation requiring, 1947. *September, 282.*
—— (*See under* Legislation, U. S., by State, for specified State.)
Union security:
Maintenance of membership. State legislation prohibiting, 1947. *September, 279.*
Union shop. State legislation prohibiting, 1947. Summary. *September, 279.*
Union shop:
Authorized under certain conditions by Labor Management Relations Act, 1947; administrative procedures for enforcement of provision. *July, 58, 60.*
State legislation prohibiting, 1947. *September, 279.*

Vacations with pay:
BLS survey of 63 manufacturing and nonmanufacturing industries; summary. *September, 331–334.*
Foundry industry, ferrous and nonferrous. Extent of provision for, 1946. *August, 183.*
Glassware industry. Extent of provision for, January 1947. *November, 551.*
Machinery industries. Extent of provision for, as of October 1946. *September, 319–320.*
Manufacturing and nonmanufacturing industries. Length of, after 1 year's service, 1945–46. *September, 332–333.*
Manufacturing industries. Extent of provision for, after 1 year's service, plant workers, 1945–46. *September, 334.*
Metal furniture industry. Extent of provision for, as of January 1947. *October, 449.*
Nurses, general staff; prevalence of practice, October 1946. *November, 548.*
Nurses, public health. Extent of provision for, as of October 1946. *September, 303.*
Power laundries, cleaning and dyeing. Provisions for, in collective agreements, 1946. *August, 162.*
Wholesale drugs and allied products; extent of provision for, January 1947. *November, 554.*
Women's blouse and waist industry. Extent of provision for, as of January 1947. *September, 316.*
Veterans:
Adjustment to civilian life; resurvey, November 1946. *July, 62–67.*
Gross weekly earnings, identical, employed, by race and age, March and November 1946. *July, 66–67.*
Labor force; postwar participation in. *December, 642, 644.*
Migration; direction of, by race, November 1946. *July, 66.*
Percentage distribution of, by employment status, age, occupational group, and race, March and November 1946. *July, 63–65.*
Power laundries, cleaning and dyeing. Reemployment rights of, in collective agreements, 1946. *August, 163.*
Vocational education. Soviet Union. Industrial training for youth; decrees providing for, summary. *November, 569–571.*

Wage claims:
Statutes of limitations for. State legislation covering, 1947. *September, 277, 283.*
—— (*See under* Legislation, U. S., by State, for specified State.)

Wage control, foreign countries:
Canada. Stabilization program, wartime and postwar; legislation providing. *October, 426, 429–430.*
France. Wartime and postwar stabilization program; legislation establishing and problems of enforcement. *August, 154–157.*
Sweden. Wartime stabilization program; voluntary collective agreements achieving; details of. *October, 434.*
Wage incentives:
Extent and type of plans, plant workers, manufacturing and nonmanufacturing industry groups, 1945–46. *November, 536.*
Extent of plans, plant workers, selected manufacturing industries, 1945–46. *November, 537.*
Foundry industry, ferrous and nonferrous. Use of, and comparison with time workers. *August, 182–183.*
Glassware industry. Prevalence of practice and results, as of January 1947. *November, 549, 551.*
Machinery industries. Effects of, on interplant wage differences; analysis. *September, 319.*
Manufacturing and nonmanufacturing. BLS studies, 1945 and 1946, review of. *November, 535–538.*
Power laundries, cleaning and dyeing. Provisions for, in collective agreements, 1946. *August, 160.*
Women's blouse and waist industry. Extent of use of, January 1947, occupations involving greatest number of incentive workers. *September, 316.*
Wage policies, foreign countries:
Canada. Trends, 1939–June 1947; legislation affecting; wartime and postwar stabilization program. *October, 426–430.*
France. Legislation affecting; stabilizing decrees of November 10, 1939, and June 1, 1940; wage-fixing power of Minister of Labor; increases granted by Provisional Government. *August, 154–155.*
—— Reforms of Provisional Government, 1945; characteristics; job classifications and coefficients (ordinary laborer's wage=100); stabilization program, 1946–47. *August, 155–157.*
Great Britain. Legislation affecting, in prewar, wartime, and postwar periods; Truck Acts, Conditions of Employment and Arbitration Order, setting up national Arbitration Tribunal; white paper on Price Stabilization and Industrial Policy; Wages Council Act; summary of program. *September, 285, 290–292.*
Sweden. Wartime stabilization program. Voluntary collective agreements achieving; details of. *October, 434–435.*
Wages and hours, United States:
Annual earnings per full-time employee, by industry, 1929–46. *September, 328.*
Bonus payments, nonproduction; effects of, on hourly wage rates. *October, 551–552.*
BLS program for special wage studies, fiscal year 1947–48; summary of changes. *October, 411–412.*
Wages and hours, United States—Continued
Construction machinery (selected). Unit man-hours expended to produce, by type of product and of labor, and by year, 1939–45; analysis of trends. *July, 41–47.*
Construction. Private. Earnings and hours; 1940 average, January 1941, monthly (April 1946–September 1947), by type of firm. (*See* Current labor statistics, table C–3, *each issue.*)
Equal-pay laws. Discrimination in wages because of sex, prohibited, 1947 (New Hampshire and Pennsylvania). *September, 283.*
Factory workers; distribution of, by hourly earnings, summer 1945 and October 1946; percent earning less than specified rates, by industry, October 1946. *July, 47–49.*
Foundry industry, ferrous and nonferrous. Straight-time hourly earnings, men, selected occupations, by region, and percentage distribution, by straight-time hourly earnings and region, October 1946. *August, 181–182.*
—— Supplementary wage practices as of October 1946. *August, 183.*
Glassware industry. Percentage distribution, plant workers, by straight-time hourly earnings, United States and selected regions, January 1947. *November, 550.*
—— Straight-time hourly earnings, selected occupations, by industry branch, January 1947. *November, 551.*
—— Supplementary wage practices, as of January 1947. *November, 551.*
Gypsum products, calcined gypsum; man-hour requirements to process into 1,000 square feet of ⅜-inch board or into 1 ton non-sanded plaster, by major department and plant size, 1946. *October, 454–456.*
Gypsum products, plaster and wallboard; man-hour requirements to produce, per unit of product, by major operation, 1946. *October 453–454.*
Hardwood flooring. Man-hour requirements, by operation, process, and plant department; comparison with 1935 requirements. *July, 49–53.*
Hotels (year-round). Straight-time hourly earnings, selected occupations in 31 large cities, June 1947. *October, 450.*
Incentive earnings compared with earnings of time workers, selected industries, 1945–46. *November, 538.*
Machinery industries. Straight-time hourly earnings, October 1946. Rates, by occupation and specified area; percentage distribution, by earnings and region. *September, 317–319.*
—— Supplementary wage practices as of October 1946. *September, 319–320.*
Manufacturing and nonmanufacturing. Earnings and hours; average, year 1939, January 1941, monthly (April 1946–September 1947), by industry. (*See* Current labor statistics, table C–1, *each issue.*)

Wages and hours, United States—Continued
Manufacturing, durable and nondurable goods. Production workers; hourly earnings, adjusted, January 1941, January and October 1942–45, monthly, January 1946–September 1947. (*See* Current labor statistics, table C–2, *each issue.*)
Metal furniture industry. Straight-time hourly earnings, selected occupations. United States and selected regions, January 1947. *October, 448–449.*
—— Supplementary wage practices, as of January 1947. *October, 449.*
—— Wage structure, percentage distribution of plant workers by straight-time earnings, United States and selected regions, January 1947. *October, 446–447.*
Nurses. Private duty and staff. Comparison of hours and hourly rates of two groups, as of October 1946; variations, by region, and by city. *November, 546–548.*
—— Public health. Salary levels, working schedules, supplementary wage practices, October 1946. *September, 302–303.*
—— Registered. Monthly hours and earnings, by category and by region, October 1946; actual hours worked, by category, same period. *July, 23, 25.*
Nursing. Survey made in 1947 by National Nursing Council, Women's Bureau, and BLS. Summary of results. *July, 20–27; September, 302–303; November, 544–548.*
Perquisites. Farm workers, hired. Extent of practice, distribution by kind and region, value of, 1945. *August, 193.*
Plastics products industry. Hourly and weekly earnings, 124 plants, May 1947; straight-time hourly rates, by occupation, early 1947. *September, 296.*
Power laundries. Straight-time hourly earnings, selected occupations, 33 large cities, July 1945 and July 1947. *November, 555.*
Power laundries, cleaning and dyeing. Provisions in 33 collective agreements, 1946, analysis of. *August, 159–162.*
Premium pay. BLS study of, in 437 union agreements, covering over 2 million workers; latter half of 1946. *October, 419–425.*
—— Miscellaneous types of, by industry. *October, 424.*
—— Proportion of workers receiving, for Saturday and Sunday work, by industry. *October, 421–422.*
—— Proportion of workers receiving, for sixth and seventh consecutive days of work, by industry. *October, 422.*
Radio manufacture. Straight-time hourly earnings, by sex, selected occupations, five wage areas, January 1947. *September, 320.*
Vermont. Investigation of, in intrastate industries, authorized; need for minimum-wage law to be studied. *September, 283.*
Veterans. Gross weekly earnings, identical, employed; comparison of, by race and age, March and November 1946. *July, 66–67.*

Wages and hours, United States—Continued
Wholesale drugs and allied products. Straight-time hourly earnings, selected warehouse occupations, by region, January 1947. *November, 552.*
—— Straight-time hourly rates, selected office occupations, by region, January 1947. *November, 553.*
—— Supplementary wage practices, as of January 1947. *November, 554.*
Women's blouse and waist industry. Straight-time hourly earnings, selected occupations, by sex; selected wage areas; January 1947. *September, 316.*
—— Supplementary wage practices as of January 1947. *September, 316.*
—— Wage structure January 1947. Percentage distribution of workers, by straight-time hourly earnings, United States and selected regions. *September, 314–316.*
Wages and hours, foreign countries:
Canada. Manufacturing. Hourly earnings, by industry group, 1939–44. *October, 428–429.*
—— Manufacturing. Hourly earnings, by Province, 1939–June 1947. *October, 428.*
—— Manufacturing. Hours and earnings; indexes, cost of living and real wages, annually 1939–46, monthly January–June 1947. *October, 426–427.*
—— Trends and policies, 1939–47; wartime and postwar stabilization program, outlining changes in wage structure. *October, 426–430.*
—— Weekly earnings, wage and salaried workers, nine leading industries, 1942–June 1947. *October, 429.*
France. Hourly and daily rates, male workers, and indexes of wage rates, 1938–47. *August, 150.*
—— Hourly rates (in francs), males in cities other than Paris, October 1938 and 1946. *August, 153.*
—— Hourly rates (in francs), Paris and other cities. *August, 153–154.*
—— Hourly rates, January 1, 1947, by industry, sex, and class of worker; wage-rate indexes. *August, 151.*
—— Monthly earnings, laborer with wife and two children, 1938, 1946, and 1947. *October, 461.*
—— Paris and provinces; hourly rates, men and women workers; narrowing of historical differentials between, and between occupations; ratios of Paris to other cities, October 1938 and October 1946. *August, 151, 153–154.*
—— Total wage income, by industry group, 1938 and 1946. *October, 461.*
—— Trends and policies, 1938–47; stabilization program, 1946–47. *August, 149–157.*
—— Trends, wages and salaries, 1938–46. *October, 461–462.*
—— Wage supplements, paid by employers, for workmen's compensation, family allowances, social security, and other funds, in 1938 and 1946. *October, 461–462.*
Great Britain. Engineering and shipbuilding. Time rates; differentials between, skilled and unskilled labor, years 1914, 1927, and 1946. *September, 290.*

Wages and hours, foreign countries—Continued
Great Britain. Indexes of rates, earnings, and cost of living, specified periods, 1938 and 1939, yearly 1940–46; monthly (cost of living and rates), January 1946 to June 1947. *September, 285–292.*
—— Stability, in wartime and postwar periods. *September, 285.*
—— Weekly earnings, average, by industry group. age and sex, 1938 and 1946. *September, 288–289.*
Japan. Standard rates, fixed by Government, specified industries; and averages, by sex, March 1947. *September, 339.*
Soviet Union. Changes in, among lower-income groups (Moscow), under decree of September 16, 1946. *July, 28, 31, 35.*
Sweden. Hourly earnings, adult men (excluding foremen), by cost-of-living areas, 1939 and 1945. *October, 434.*
—— Hourly earnings in industry, trade, and public service, by sex, 1939–46; in eight principal industries, 1939–47. *October, 431–432.*
—— Trends and policies, 1939–47; stabilization program, outlining changes in wage structure. *October, 431–435.*
Wages, real, foreign countries:
Canada. Manufacturing. Cost of living and real wages; trends, 1939–47; indexes, annually, 1939–46, monthly, January–June 1947. *October, 427–428.*

Wholesale drugs and allied products:
Bonus, nonproduction. Extent of use, as of January 1947. *November, 554.*
Characteristics of industry; wage practices, January 1947, by region, type of establishment, unionization, and sex. *November, 552–554.*
Group insurance. Extent of provision for, as of January 1947. *November, 554.*
Pensions. Extent of provision for, as of January 1947. *November, 554.*
Sick leave. Extent of provision for, as of January 1947. *November, 554.*
Vacations with pay. Extent of provision for, as of January 1947. *November, 554.*
Women workers, United States:
Labor force activity of; prewar trend, wartime participation. *December, 638–644.*
Labor force. Percentage distribution, by age group, April 1940, 1945, and 1947. *December, 669.*
—— Percentage of all workers, by occupation, April 1940, 1945, and 1947. *December, 668–669.*
Women workers, United States—Continued
Labor force. Prewar, wartime and postwar participation, future employment outlook. *December 666–671.*
—— Wartime increase in numbers and proportion. *December, 666.*
—— Withdrawal of women from, April 1945–April 1947; proportion of older workers remaining, April 1947. *December, 662.*
—— Women in, prewar, wartime, and postwar periods, by age and marital status. *December, 668–670.*
Manufacturing. Production workers, estimates of, by major branch, 1939 and 1943–47. *December, 666–667.*
—— Production workers, estimates of, selected industries, 1939 and 1943–47. *December, 667.*
Postwar decline in total in labor force; postwar occupational shifts by. *August, 144–145.*
Production workers. Percentage of total, by major industry branch, October 1939 and April 1947. *December, 669.*
State legislation affecting, 1947. *September, 277–278.*
—— (*See under* Legislation, U. S., by State for specified State.)
Wartime adjustments to production demands; postwar employment changes; future employment outlook. *December, 666–671.*
Women workers. Great Britain. Equal pay (wartime), provisions for, in collective agreements; unsuccessful efforts of engineering unions to equalize rates in postwar period. *September, 289.*
Women's blouse and waist industry:
Bonus, nonproduction. Extent of use, as of January 1947. *September, 316.*
Characteristics; findings based on BLS study in 173 establishments, January 1947. *September 314–316.*
Group insurance. Extent of use of, as of January 1947. *September, 316.*
Health and welfare funds. Extent of use of, as of January 1947. *September, 316.*
Vacations with pay. Extent of provision for, as of January 1947. *September, 316.*
Wage incentives. Extent of use of, January 1947; occupations involving greatest number of incentive workers. *September, 316.*
Workers' education. Address on "The University and Labor Education," Dr. Edwin E. Witte, excerpts from. *July, 36–40.*
Working conditions, United States:
Nurses, public health. Hours, earnings, professional expenses; opinions regarding conditions of work. Survey, 1947, by National Nursing Council, Women's Bureau, and BLS, summary. *September, 302–303.*
